provides a **BRIDGE**

to **success** for students who will

CHANGE TOMORROW

MISSION

Midlands Middle College

prepares 11th and 12th grade students for a **successful work and educational future** through the integration of high school, technical college, and the world of work by providing students with a rigorous and relevant academic program.

“Our school provides individualized and personalized opportunities that foster student success.”

–Carole Fearington
Principal, Midlands Middle College

A Bridge to Success

Since 2006, Midlands Middle College (MMC) has offered a fresh academic start to hundreds of high school students located in the Midlands of South Carolina.

To achieve success, students enrolled at MMC focus on three main goals:

- » Completing graduation requirements
- » Enrolling in dual credit courses through Midlands Technical College
- » Engaging in programs leading to college and career readiness

SC Public Charter School

MMC is a public charter high school authorized by the SC Public Charter School District.

What Makes MMC Unique

- » Located on Midlands Technical College (MTC) campus with access to all facilities, including computer labs, science labs and more
- » Tuition-free college classes while still in high school
- » Class instruction and schedule designed for each student's individual academic needs
- » Small class environment led by certified, highly-qualified teachers
- » School hours are from 11am – 5pm, Monday - Friday
- » Partnership programs with MTC and Midlands Education and Business Alliance (MEBA)

Enriching and Educational Activities for MMC Students and Parents

On-Site Field Studies

“At Midlands Middle College, I am treated as an individual, not just another student.”

– MMC Student

“When difficulties and challenges began to surface in the traditional school environment, and it is your child, it is comforting to know that there are options. Midlands Middle College was the solution.”

– Parent of MMC Student
