RE: Federal Programs Planning Meeting

Dear MMC Stakeholders:

As a public charter school, Midlands Middle College (MMC) receives funding from various public sources. Each year, the school holds a planning meeting to identify and prioritize needs, develop activities and strategies to meet those needs, and determine the appropriate sources to fund each activity. All stakeholders - students, parents, teachers, staff, board and community members - are invited to participate in this planning process.

The MMC Federal Programs Planning Meeting for the 2021-2022 school year will be held Friday, May 7th, at 9:00 a.m. Interested stakeholders should respond to cgirolamo@midlandsmiddlecollege.com no later than May 5th to indicate their intent to participate. This will ensure sufficient space is available to meet COVID-19 safety requirements. The meeting will be held in-person in Congaree Hall on the Airport Campus of Midlands Technical College, 1260 Lexington Drive, West Columbia, SC.

We look forward to working with our stakeholders to develop funding plans for the next academic year. Any questions regarding this meeting or the planning process should be directed to my attention at the email listed above.

Sincerely,

Courtney Girolamo
Principal
