

STUDENT/PARENT HANDBOOK 2026-2027

Midlands Middle College provides this handbook so that students and their parents/guardians can become familiar with our school's policies, rules and regulations. Nothing in this handbook constitutes or creates an expressed or implied contract. The school may amend, modify or discontinue at any time the policies, rules and regulations referred to in this handbook. For the most current version of this handbook, visit the school's website at www.midlandsmiddlecollege.com or request a copy at the school.

Effective August 2026

MISSION

Midlands Middle College (MMC) will prepare 9th through 12th grade high school students for a successful educational future through the integration of high school, technical college, and the world of work by providing students with a rigorous and relevant academic program.

Vision

To empower, inspire, and equip students to succeed in a rapidly changing world as confident and responsible citizens.

NONDISCRIMINATION STATEMENT

Midlands Middle College does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the non-discrimination policies: Dr. Laurie Lee, 1260 Lexington Drive, West Columbia, SC 29170, or telephone 803-822-3333.

GENERAL INFORMATION

MMC provides a positive learning environment in a small academic setting on a college campus. Students have the advantage of developing one-on-one relationships with staff and of experiencing college, career, and citizenship readiness opportunities individualized to each student's academic needs and interests. At MMC, all students are expected to succeed.

In order to ensure the best interest of students, parents, teachers, and community, the administration reserves the right to amend policies and guidelines as set forth in the student handbook throughout the year.

School Contact Information

Airport Campus of Midlands Technical College, Springdale Hall
1260 Lexington Drive
West Columbia, SC 29170
Phone: 803-822-3333
Fax: 803-822-7039
Email: info@midlandsmiddlecollege.com

Campus Expectations

MMC is located on a college campus, and staff and students are guests of Midlands Technical College. Consequently, we are expected to take care of the classrooms and other spaces that MTC has made available to us. Springdale Hall has been designated specifically for MMC. Students are to remain in Springdale Hall and are not allowed to gather in other buildings or the parking lots. MTC police officers are strict about making sure that high school students remain in their designated areas.

Academic Calendar

The academic calendar has been developed and approved for MMC and aligned to its particular circumstances. Although the calendar is similar to that of other Midlands districts, it may also differ. **Students who attend MMC are required to adhere to the attendance, testing, and holiday schedule as outlined on the MMC calendar rather than the calendar of the student's home district.**

Lunch

MMC does not serve lunch. Students may choose to bring their own, to purchase a meal from the restaurant located in the Student Center, or to order DoorDash or UberEats. Students may purchase lunch outside of the MMC Campus during their transition from classes off campus. Additionally, with parent permission, students may leave/return with lunch. The lunch break is brief, and students are responsible for being on time to the start of the next class. Students are expected to consume lunch during the designated lunchtime and may not be allowed to carry lunch into the third block class. Teachers have the discretion to allow snacks in the classroom, with the expectation students will not disturb the class or inhibit his/her own ability to participate in class activities. Teachers may prohibit students from eating in the classroom if it becomes disruptive.

Transportation and Parking

Students at MMC or their parents/guardians are responsible for providing their own transportation to and from school each day. Reliable transportation is a significant factor in a student's attendance and ultimate success at MMC and should be carefully considered prior to enrollment. The school will work with families to assist in finding transportation, if requested. MMC students who drive to school are required to complete a vehicle registration form which will be kept on file in the office and available to Midlands Tech PD. Students will receive an MTC parking decal, which enables them to park in any **white-lined** parking space on campus. Students may not park in yellow-lined spaces, which are reserved for faculty and staff. Inappropriate parking may result in a discipline referral, a ticket, and/or the student's car may be towed. **MMC Student parking is located in the large lot across the street from Springdale Hall.**

Students who arrive at school before 10:00 am are not allowed to sit in cars in the parking lot or wander around campus. Students should report to room 120 or their first classroom until school begins. Students should arrange transportation to leave campus immediately after dismissal. MTC police officers patrol the parking lots to help maintain the safety and security of all. If a student's transportation is late for pickup, the student should report to the office.

Dress Code

Midlands Middle College requires appropriate dress standards for students. MMC will not permit clothing deemed distracting, revealing, overly suggestive or otherwise disruptive. This includes (but is not limited to) bare midriffs, halter/tank tops, spaghetti straps, and see-through shirts, tops or blouses. Students may not wear overly tight or shorter than fingertip-or mid-thigh-length shorts, skirts, skorts or dresses. Students must wear pants at their natural waistline. Undergarments should not show and should not be worn outside of clothing. Students are not allowed to wear face paint or costumes.

MMC will not permit clothing that displays vulgar, obscene or otherwise inappropriate symbols, language or wording. MMC also will not permit clothing or accessories (i.e., book bags, jewelry, hats, etc.) that display or make reference to alcohol, tobacco or illegal substances. Clothing or accessories that are designed to allow for concealment of inappropriate items will not be allowed. Students may not wear or display gang attire, colors or symbols on clothing or accessories.

Students found in violation of this dress code may be asked to wear a t-shirt, sweatshirt, or sweatpants provided by the school. Depending on the extent of the violation, students may be sent home to change. This absence from class will not be an excused absence.

Notification of Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) is a federal law that affords parents/guardians and students over 18 years of age (eligible students) certain rights with respect to student education records.

Rights under FERPA:

- The right to inspect and review the student's education records within forty-five (45) days of the day the school receives a request for access
- The right to request the amendment of the student's education records that the parent/guardian or eligible student believes are inaccurate
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA

Annual notification of rights under FERPA will be provided to parents/guardians of students under 18 years of age and to students over eighteen (18) years of age

Notification of Rights Under PPRA

The Protection of Pupil Rights Amendment ("PPRA") affords parents certain rights regarding conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to the following:

1. Consent before students are required to submit to a survey that concerns one or more of the following protected areas (protected information survey) if the survey is funded in whole or in part by a program of the U.S. Department of Education:
 - Political affiliations or beliefs of the student or student's parent
 - Mental or psychological problems of the student or student's family
 - Sex behavior or attitudes
 - Illegal, anti-social, self-incriminating or demeaning behavior
 - Critical appraisals of others with whom respondents have close family relationships
 - Legally recognized privileged relationships, such as with lawyers, doctors or ministers
 - Religions practices, affiliations or beliefs of the student or parents
 - Income, other than as required by law to determine program eligibility
2. Receive notice and an opportunity to opt a student out of the following:
 - Any other protected information survey, regardless of funding
 - Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent and not necessary to protect the immediate health and safety of a student, except for hearing, vision or scoliosis screenings, or any physical exam or screening permitted or required under state law.
 - Activities involving collection, disclosure or use of personal information obtained on students for marketing or to sell or otherwise distribute the information to others
3. Inspect, upon request and before administration or use, the following:
 - Protected information surveys of students
 - Instruments used to collect personal information from students for any of the above marketing, sales or other distribution purposes
 - Instructional material used as part of the educational curriculum

Notification of Right to Know Professional Qualifications

In compliance with the requirements of the Every Students Succeeds Act, parents may request the following information:

1. Whether the student's teacher—
 - has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and

- is teaching in the field of discipline of the certification of the teacher.

2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Requests for this information should be sent to the school principal.

Notification of Asbestos Inspections

In compliance with the U.S. Environmental Protection Agency (EPA) Asbestos Hazard Emergency Response Act (AHERA), an accredited asbestos inspector visited MMC in the spring of 2019, performed inspections of our school facilities for asbestos-containing building materials (ACBM), and provided a limited asbestos inspection report. In addition, a DHEC licensed accredited management planner reviewed the results of the inspections and developed an asbestos management plan for MMC. The inspection findings and asbestos management plan have been on file in the MMC administrative office since that time.

MMC will continue to collaborate with facilities personnel at Midlands Technical College to ensure our students are in a safe learning environment and that we adhere to all EPA/DHEC guidelines and requirements. Anyone wishing to view the MMC Asbestos Management Plan may do so during normal school hours (Monday-Friday from 8:30 a.m. to 4 :00 p.m.).

ATTENDANCE

MMC has established attendance procedures which reflect a blend of both high school and college-level expectations. Students are expected to demonstrate responsibility with their hours and are offered flexibility when appropriate. Most courses at MMC are semester-long and meet every day, Monday through Friday, according to the following daily schedule.

Daily Schedule

Class Schedule	
1 st Block	9:45 AM - 11:09 AM
2 nd Block	11:13 Am - 12:37 PM
Lunch	12:37PM - 1:05 PM
3 rd Block	1:05 PM - 2:29 PM
4 th Block	2:33 PM - 3:57 PM

Friday Schedule

1st Block	9:45 AM - 10:48 AM
2nd Block	10:52 AM - 11:55 AM
Lunch	11:455 AM - 12:18 PM
3rd Block	12:18 PM - 1:21 PM
4th Block	1:24 PM - 2:27 PM

Absences and Excuses

Students may have no more than five (5) unexcused absences in a semester-long course to receive high school credit. For nine-week courses, a student may have no more than three (3) unexcused absences. If absent, a student must present a written excuse signed by a parent/guardian, physician or other appropriate person **within three (3) school days after returning to school**. The excuse must include: the date the excuse is written, the date of the absence, reason for the absence, and the required signature. If a student fails to provide a proper excuse, the absence may be recorded as unexcused and remain that way. Medical notes (to include physician visits, dentist/orthodontist visits, mental health appointments) should include the time of the appointment. These excuses will not be accepted for the entire school day unless specified by the physician on the note. MMC will accept three (3) parent notes per semester as excused. These parent notes must be submitted within three (3) school days of the absence. Any parent notes above the three will be marked as unexcused. Even though it may be an unexcused parent note, MMC staff appreciates knowing that parents/guardians are aware of the student's absence.

The school usually excuses absences for:

- students whose presence in school endangers their health or the health of others
- students attending a funeral of an immediate (parent, sibling, grandparent) family member. Students may receive up to 3 days for bereavement with proper documentation such as bulletin, death notice, obituary, etc.

- students participating in a recognized religious holiday of their faith with appropriate documentation
- students who are participating in activities approved in advance by the principal (ie. field trips, extenuating circumstances)

The school does not excuse absences for:

- students willfully absent from school
- students absent without the knowledge of their parents/guardians

Students may receive an excused absence for attending college visits in the following ratio: Juniors are allowed one per semester. Seniors are allowed one in the Fall and two in the Spring semester. Students must submit documentation of attendance at the visit which can be obtained from the college personnel. This must be submitted within three (3) days as outlined above.

Students participating in sports teams with their homeschool, must submit documentation of participation from the head coach of the team. MMC must receive notice from the coach regarding away game travel which may cause the student to miss all or part of the school day. With documentation from the head coach, this time will be excused.

A student who accumulates more than the allowed number of absences in a semester may be required to provide a doctor's excuse for all additional absences in order to receive course credit. Both parent and doctor's notes may be subject to verification. Students who display negative attendance patterns will be required to participate in attendance intervention meetings to determine strategies for improvement. Students who accumulate unexcused absences in a pattern that shows a lack of desire to attend school, may be removed from MMC. Administration will work with this student and parents to find a more appropriate learning environment where the student will be successful.

Parents are expected to routinely monitor absences by accessing their students' information in PowerSchool. If a parent has a question or concern about an absence, the parent should contact the school as soon as possible.

Truancy Policy

South Carolina Compulsory Attendance Law (SC Code of Law 59-65-10) requires all children aged 6 to 17 years to attend school regularly. Parents or guardians are responsible for their child's attendance and can be fined or jailed if found guilty of educational neglect.

"A child ages 6 to 17 years who has accumulated three (3) consecutive unexcused absences or a total of five (5) unexcused absences" is considered *truant* under SC law. Schools are required to hold an attendance intervention meeting with every parent/guardian of a truant child. It is the parent/guardian responsibility to attend these meetings and participate fully.

"A child ages 12 to 17 years who fail to comply with the intervention plan developed by the school, child and parent/guardian and who accumulates two (2) or more additional unexcused absences is defined as *habitually truant* and may need court intervention. An initial truancy petition may be filed."

"A child ages 12 to 17 years who has been through the school intervention process, has reached the level of 'habitual' truant, has been referred to family court and placed on an order to attend school, and continues to accumulate unexcused absences is considered *chronic* truant."

MMC will follow the state compulsory attendance law.

Tardiness

To encourage personal responsibility, students are expected to be present in class when the teacher takes attendance at the beginning of class. Presence is counted by the student being in the classroom, not their personal belongings. If a student arrives after class has started, he/she will be marked **tardy** and the time will be noted. If a student enters the room **16 minutes or more** after class begins, he/she will be marked **absent**. However, the student is still encouraged to participate in class activities. Exceptions will be made for students with approved circumstances, such as those that would usually be excused as described in the section above. Note that transportation issues will not count as an excused tardy. **Students with excessive tardies to class/school may also be subject to dismissal from MMC.**

Early Dismissals

A student will be permitted to leave school during the school day only if a parent/guardian or other approved person comes to the school office to sign the student out or if prior arrangements have been made. The front office will alert the student's teachers of the approved dismissal and time. Students will be released by their teacher at that time. Students who leave class without prior approval will be marked absent/skipping and will face disciplinary consequences. Early dismissals impact a student's attendance and count toward the allowed 5 absences from a course as they are missing instructional time. MMC discourages students from leaving school early unless it is absolutely necessary.

Generally, there will be no early dismissal for students who are leaving school to go to work. Students who work after school must ask their supervisors to create a work schedule that accommodates the student's school schedule.

Seat Time Requirement

To receive a high school Carnegie Unit of credit, students must be present for 85 days of the 90-day semester course. Students accumulating more than the five (5) allowed unexcused absences in a semester course or three (3) in a nine-weeks course, will be required to recover the seat time. Opportunities will be provided throughout the semester for students to make up missed seat time. Seat time will be made up through community service opportunities generally scheduled once a month on a Saturday. Seat time will not be made up during school hours. It is the student's responsibility to keep track of their attendance and make arrangements to attend the seat time recovery opportunities. The number of days a student may recover through seat time may be limited if absences become excessive. Seat time does not make up for the loss of instruction time. Note: If a student is absent yet attends a seat time recovery opportunity on that day, the recovery time will not be accepted. It is expected that if a student can attend the recovery opportunity, they could have been at school.

At the end of the semester, attendance will be calculated for EACH course, accounting for all unexcused absences, tardies and seat time recovered. If a student has more than the allowed number of unexcused absences, then the student will not receive credit for that course. Seat time must be made up by the end of each semester. **The deadline for the fall will be December 15th and the spring will be May 18th.**

Make-up Work

Students who are absent from school will have the opportunity to complete missed assignments. Generally, all make-up work should be completed within 10 calendar days of the absence in order to receive full credit. Refer to the classroom expectations for each teacher regarding make-up work procedures and timelines.

INSTRUCTIONAL SERVICES

Academic Integrity

MMC is committed to maintaining the highest standards and expectations for academic integrity

among all students, and we support the development of a school culture that furthers our academic mission and recognizes the hard work of students and faculty alike. Any form or act of academic dishonesty will undermine our standards of excellence and violate the trust that bonds all members of the school community.

Academic dishonesty is using a person's work, concepts, designs, data, ideas, research, or documentation, without giving proper credit to the source. It goes beyond plagiarism to also includes lying, cheating, using or providing unauthorized materials in preparation for an exam/test/quiz, or using or providing unauthorized materials during an exam/test/quiz, and other acts, such as theft or falsification of records and files. This includes use of AI applications such as ChatGPT to complete assignments. This also includes sharing one's work with another student.

A teacher's professional judgment guides the implementation of academic integrity at MMC. The teacher is responsible for setting the academic expectations, explaining consequences, evaluating any evidence of student misconduct, and notifying an administrator of violations. MMC considers academic dishonesty to be a serious offense which may result in consequences ranging from an informal conference to out-of-school suspension based on severity, prior history and any other factors that the administrator chooses to take into consideration.

Assessments

Teachers at MMC will use a variety of assessments to determine the academic progress of individual students. Classroom-based assessment measures will include, but not be limited to, teacher observations, questioning, oral and written quizzes, projects, electronic publications, artwork, multiple-choice, short-answer and essay tests, portfolios, journal entries, and other demonstrations of performance occurring daily in the classroom setting. Results of these assessments will be recorded in PowerSchool for students and parents/guardians to view.

Students at MMC are also required to participate in state-mandated assessments as required by state law. This currently includes the End-of-Course Examination Program (EOCEP), ACT, SAT, ACCESS for ELs and the Career Readiness Assessment. These are subject to change without notice. All students are required to be on campus to complete these assessments.

MMC collaborates with our local Military recruiters in providing the ASVAB each fall. All students will take this assessment. MMC utilizes the results of this assessment to assist students in developing potential college and career goals. Students are not required to speak with any recruiter from any branch of the armed services after participating in this assessment. However, if a student expresses an interest in entering the armed forces, MMC will assist that student in making the appropriate connections.

Credit/Attendance Recovery

Per the SC Uniform Grading Policy, *credit recovery* is defined as a course-specific, skill-based learning opportunity for all students who have previously failed to master content or skills required to receive credit. The term *credit recovery* refers to a block of instruction that is less than the entirety of the course and targets specific components of the course standards. Midlands Middle College offers credit recovery opportunities to students who fail a course, whether at MMC or a previous school, within the guidelines provided in this document.

Admission/Removal from Credit Recovery:

1. Students must have taken the entire course to be considered for credit recovery. The decision for enrollment in a credit recovery will be made by the principal in conjunction with the school

counselor. Students must complete and sign the credit recovery admission form before signing up for a course.

2. Students scoring between 49 and 59 after the completion of the entire course are eligible to take credit recovery. In keeping with MMC's charter and mission of assisting targeted students in obtaining a state high school diploma while preparing for them to be college and career ready, the principal may, in some cases, approve credit recovery for earned grades between 45 and 48. These instances may be based upon the student's years in school, number of course attempts, and number of credits behind where the student should be. The request to approve these students must be made in writing by the principal to the MMC Board of Directors.
3. Students may take as many credit recovery courses needed within the school year to get caught up with their appropriate grade.
4. Credit recovery courses must be completed within the semester they were begun. Credit recovery courses taken during the summer are to be completed prior to the first day of the following school year. The length of any given course will be determined by the content teacher based upon the course standards and information necessary for the student to successfully master course material.
5. Courses with an EOCEP (Algebra I, English 2, US History, Biology) may only be eligible for credit recovery if the student meets the above grade guidelines AND has taken the end of course test.

Instructional Methodology:

1. MMC offers two different options for completing a credit recovery course.
 0. During the general school year, credit recovery courses will be provided through teacher developed courses via Google Classroom. Content teachers have developed courses aligned with the SC state standards. Teachers may choose to utilize online content programs, direct instruction, or a combination of both. Students will be taught how to access and navigate each course as assigned. It may be necessary to utilize the VirtualSC platform for courses not developed by MMC teachers.
 1. During the summer, MMC will utilize the VirtualSC platform to provide credit recovery opportunities for students. Students will be subject to the policies and **procedures set forth** by VirtualSC.
2. Professional development will be provided to all teachers as needed to appropriately develop, deliver, and support the credit recovery program.
3. All content within the credit recovery course will be based upon the SC state standards.

Grading:

Credit recovery courses developed by MMC teachers will be graded by the content teacher. VirtualSC grades will be determined in the manner set forth by the VirtualSC team. Students passing the credit recovery course with a 60 or higher will earn a "P" for passing. This will be recorded on the transcript as such. Students failing the credit recovery course with a grade below a 60 will earn a "NP" for not passing and will be reflected on the transcript as such.

The credit recovery course will not impact the student's GPA.

Cost:

There is no cost for credit recovery courses.

A student who earns a grade of Failure due to Absences (FA) may also have the option to recover that credit. A grade of FA is only assigned when a student has earned a passing grade in a course but has

not met the attendance requirements. Upon completion of seat time recovery, the FA on the student's transcript will be replaced with the original grade earned by the student.

Dual-Enrollment

One of the goals of Midlands Middle College is to provide the opportunity for eligible students to enroll in courses at Midlands Technical College and earn college credit before high school graduation. Students obtain eligible status by adhering to the following:

- Completion of Midlands Tech placement test (Accuplacer) to determine college courses that align with student's placement test scores and goals for education and career or meet the GPA requirement set by MTC (above a 3.0)
- Regular, on-time attendance at MMC for at least one semester
- Academic success in each MMC class
- Attending a dual-enrollment information session for students and parents
- Adhering to all stated deadlines
- Obtaining parent/guardian permission
- Participation in "check-ins" with the school counselors (weekly)
- Maintaining satisfactory attendance in all classes

Students taking at least 6 credit hours will do so free of charge through the DE @ MTC program. Parents/guardians will assume the cost for books and/or equipment needed for each course taken. Families who show this additional cost will be a financial burden, may qualify for assistance through MMC. Parents/guardians wishing to discuss this possibility will need to reach out to the school principal.

Students and their parents/guardians will be required to attend the Dual Enrollment orientation meeting prior to the start of classes. For additional information on Dual Enrollment policies and procedures, please reference the Dual Enrollment Handbook found on the MMC website.

Due to the immersive nature of our dual enrollment program, most students will be 11th or 12th graders. Some 10th grade students may participate with clearance from the school counselling staff and administration. 9th grade students will not participate in Dual Enrollment courses. Case-by-case situations may deviate from this policy with written approval from the school principal.

Grading System

The grading system at MMC reflects achievement-based mastery of skills at a student's instructional level. In order for a student to receive a grade for any nine-week period, the student must complete the required work and have satisfactory attendance. MMC issues report cards every nine weeks sent through the US Mail. The school calendar includes the specific dates that report cards are mailed.

MMC uses the scale below based on the South Carolina Uniform Grading Policy as required by state law.

90 to 100	A
80 to 89	B
70 to 79	C
60 to 69	D
0 to 59	F

Calculating Class Rank

Midlands Middle College (MMC) utilizes the South Carolina Uniform Grading Policy as required by state law. This policy defines grade point values for each numeric grade earned in courses taken which are used to calculate a student's grade point average (GPA). All courses taken for Carnegie credits are

utilized in calculating the GPA. The calculated GPA is recorded on the official transcript for every student.

At MMC, all courses offered by the high school instructors carry the same grade point weightings. Students have the opportunity to take dual credit courses through Midlands Technical College. These courses carry an additional 1.0 weighting on the SC Uniform Grading Scale.

Grade point averages are run at the end of each academic semester and include all MMC students. Final GPAs are calculated at the end of the year after all dual enrollment and virtual courses are added to the student's record and grades are finalized. The final class rank is calculated once GPA's are stored and reviewed. The GPA and class rank will be listed on the final, official transcript along with the date of calculation.

Graduation Requirements

To receive a South Carolina High School Diploma, students must earn the following 24 units of credit:

English	4 units
Mathematics	4 units
U.S. History	1 unit
Government	½ unit
Economics	½ unit
Other Social Studies	1 unit
Biology I	1 unit
Other Science	2 units
Computer Science	1 unit
Physical Education or JROTC	1 unit
World Language* or Career/Technology	1 unit
Personal Finance	½ unit
Electives	6½ units
Total Required	24 units

*Two units of world language are now required for students planning to attend a four-year college or university. Many four-year institutions, however, require three years of the same language as part of their entrance requirements.

** Students who entered the ninth (9th) grade in the 2023-2024 school year are required to also have ½ unit of Personal Finance prior to graduation.

Homebound Instruction

MMC offers homebound instruction for those students who, because of accident, illness or other medical condition, cannot attend school. To be eligible for homebound instruction, a licensed physician must complete the school's required Medical Homebound Instruction Form, certifying that the student is unable to attend school, but that he/she may be expected to benefit from homebound instruction. Parents/guardians can get a copy of the Medical Homebound Instruction Form from the school principal. After a licensed physician completes the form, the parent/ guardian should return the form to the school for review and approval. Homebound services will not be approved for more than a 30 day (one month) increment at a time.

Upon approval for services, a member of MMC's certified teaching staff will be assigned as the homebound instructor of record. Parent/guardian and /or student will be contacted to set an agreeable schedule for the provided instruction. Homebound instruction will typically be offered in the ratio of one hour per school day for 5 hours per week. Students will be required to complete assignments between instructional meetings according to the schedule set by the homebound instructor. Failure to attend a scheduled homebound session or complete the assignments agreed upon between sessions will result in an UNEX absence listed for that day.

Special Education

As a public charter school, MMC must adhere to state and federal laws regarding students with disabilities. MMC is authorized by the South Carolina Public Charter School District (SCPCSD), which maintains the role of Local Education Agency. Under the guidance of the SCPCSD, MMC develops its own Special Education Policies and Procedures individualized to meet the needs of the school. A student or parent/guardian can request a copy of this document through the school's special education coordinator or access the document under the resources tab of the school website.

Child Find

Public schools have an obligation to find children between the ages of birth and 21 who may have a disability. This responsibility is known as Child Find. MMC locates, identifies, and evaluates students who may have a disability through a referral process. Referrals may come from the school or from the parent. School-initiated referrals can be initiated by teachers or any trained school staff members who "have reason to suspect the child has a disability." When the school receives a referral, the referral is forwarded to the Special Education Coordinator, who will interview the parent by telephone or in person. The Coordinator then schedules a meeting of an Evaluation Planning Team to plan an appropriate evaluation. Following the evaluation, the Evaluation Planning Team will determine (1) if the child has a disability, and (2) if the child needs special education services. More information regarding the procedures for Child Find is located in the Special Education Policies and Procedures.

Technology Resources

MMC's network system has been established for a limited educational purpose, including but not limited to classroom-based projects and student works, college and career explorations, and high-quality, academically enriching research. Recognizing the value of the Internet, the school supports teachers and students being engaged in an online environment that allows them to discuss, collaborate, communicate, create, and share in a safe, ethical, and responsible manner. MMC will provide each student a device which is connected to the MMC network for use in each class.

Personal devices will not be allowed/utilized.

The school has the right to place reasonable restrictions on the material students access or post through the system. Students are expected to follow the rules set forth in this handbook and the law in their use of the network system.

ACCESS TO ONLINE MATERIALS

- The material students access through the network system should be for class assignments or for other, legitimate educational objectives. Students are not to post non-academic messages to others within the network system.
- Use of the network system for entertainment purposes (e.g., accessing social networking sites, including but not limited to SnapChat, Facebook, and YouTube) is not allowed.
- If a student mistakenly accesses inappropriate information, the student should immediately report this access to a teacher or an administrator. This will protect the student against a claim of intentionally violating this policy.
- The school has taken reasonable steps to restrict access to materials it considers harmful and to materials that do not support or conform to accepted educational objectives.
 - Students will not use the network system to access the following: material that is obscene; child pornography; material that depicts, or describes in an offensive way, violence, nudity, sex, death, or bodily functions; material that has been designated as for adults only; material that promotes or advocates illegal activities; material that promotes the use of alcohol or tobacco, school cheating, or weapons; or material that advocates participation in hate groups or other potentially dangerous groups.
 - If a student feels that the filtering software is blocking access to an appropriate site, the student should report this to a teacher or administrator.
 - Students will not seek to bypass the network by using a proxy site or some other technology, such as USB flash drives or discs.
- The use of the network system is a revocable privilege for all users.

COMMUNICATION SAFETY EXPECTATIONS

- “Personal contact information” includes a student’s full name, together with other information that would allow an individual to locate him/her, including family name, home address or location, work address or location, or phone number.
- Students may disclose personal contact information to educational institutions, companies or other entities for college/career exploration purposes, or with specific staff approval.
- Students will not disclose names, personal contact information, or any other private or personal information about other students. Students will not forward a message that was sent privately without permission of the person who sent the message.
- Students will promptly disclose to a teacher or other school staff member any message received that is inappropriate or makes him/her feel uncomfortable. Students should not delete such messages until instructed to do so by a staff member.

UNLAWFUL, UNETHICAL, UNAUTHORIZED, AND INAPPROPRIATE USES AND ACTIVITIES

- Unlawful Activities
 - Students will not attempt to gain unauthorized access to the network system. This includes attempting to log in through another person’s account or to access another person’s files.
 - Students will not make deliberate attempts to disrupt the network system or any other computer system or destroy data by spreading computer viruses or by any other means.
 - Students will not vandalize the computer equipment by disassembling or disconnecting any computer components or peripherals.
 - Students will not engage in any conduct that modifies, harms, or destroys any computer or network hardware, such as mice, keyboards, and components that reboot computers.
 - Students will not use the Internet system to engage in any other unlawful hacking activities such as arranging for a drug sale or the purchase of alcohol, engaging in criminal gang activity, or threatening the safety of any person (including public officials).
- Inappropriate Language and Unauthorized/Unethical Activities

- Restrictions against inappropriate language apply to all speech communicated through the network system, including public messages, private messages, and material posted on Web pages.
- Students will not use obscene, profane, lewd, sexually oriented, vulgar, rude, inflammatory, threatening, or disrespectful language.
- Students will not use, access, transmit, or download information that is hate-motivated, fraudulent, abusive, or racially offensive.
- Students will not knowingly or recklessly post false or defamatory information that could cause damage or a disruption to your school or any other organization or person.
- Students will not use a camera phone to record or take pictures of students or staff anywhere on campus and post on the Internet (e.g., YouTube) without the school's permission.
- Students will not engage in personal attacks, including prejudicial or discriminatory attacks, or harass or bully another person.
- Students will not use, access, transmit, or download information that relates to or encourages the illegal use of controlled substances or other criminal conduct.
- Students will promptly disclose to a teacher or another school employee any message received from any other student that is in violation of the restrictions on inappropriate language and unauthorized activities.
- Plagiarism and Copyright Infringement
 - Students will not plagiarize works found on the Internet. Plagiarism is taking the ideas, graphics, or writings of others and presenting them as if they were yours without adequate and accurate citation.
 - Students will respect the rights of copyright owners in use of materials found on, disseminated through, or posted to the Internet. Copyright infringement occurs when a student reproduces a work that is protected by a copyright without explicit permission from the copyright holder or outside the limitations of copyright law.
 - Students will not use peer-to-peer file sharing programs, such as "BitTorrent" or "Limewire," to download or share copyrighted movies, music, or games.
 - Students will not share their individual work with another student to be used for meeting assignment requirements.
 - Students will not utilize AI sites such as ChatGPT to create documents or complete assignments.

SYSTEM SECURITY

- Students are responsible for their own individual accounts and should take all reasonable precautions to prevent others from being able to access them. Under no conditions should a student provide his/her password to another person. Students should protect their files and accounts by logging out and regularly backing up personal files.
- Students will immediately notify a teacher or an administrator if they identify a possible security problem. However, students should not go looking for security problems, because this may be construed as an unlawful attempt to gain access.
- Students will not engage in any conduct or activities that could disrupt the use of the system for others, including installing programs or files, deleting programs or files, modifying settings, changing passwords, or reconfiguring the system.

MMC AND MTC RESOURCES

- Each classroom contains technology resources that have been purchased by MMC and are available for student use while at MMC. Students will not remove these resources from any classroom, not even to move to another classroom, without express permission from a teacher or other staff member.

- Students will not under any circumstances remove technology resources from the school campus. School devices may not be taken home for personal use.
- MMC provides a school-issued Google account to all students. This is part of a set of tools called “G Suite for Education” being used in classrooms, which opens the opportunity for students to practice the appropriate use of professional email and gives them a tool with immediate use in their academic life, including communicating with teachers, other students, colleges, and more. With this educational opportunity also comes responsibility. It is important that parents and students read Google’s privacy information available at <https://www.google.com/edu/trust/> and together discuss the rules for appropriate email use. Student email may be monitored for inappropriate use, which could result in the loss of this privilege as well as possible disciplinary action.

HOME USE OF MMC CHROMEBOOKS

On rare occasions, a student may need to utilize an MMC Chromebook at home to complete school assignments. Students may only ask to utilize the Chromebook if they do not have access to other appropriate technology to complete schoolwork. In these instances, students must check the device out overnight through the front office on a first come first serve basis as devices are limited. MMC will maintain a list of students identified by their parent/guardian as not having a reliable device at home and will utilize this list in determining check-out privileges. The device must be returned to school the following day. Students assume responsibility for the care and appropriate use of the device while in their possession. Students utilizing school devices at home are required to follow all school policies for use of technology outlined above.

SAFETY AND SECURITY

Bullying

MMC prohibits acts of harassment, intimidation or bullying of a student that interfere with or disrupt a student’s ability to learn and the school’s responsibility to educate students in a safe and orderly environment. This is true whether the harassment, intimidation or bullying takes place in a classroom, on the grounds of Midlands Technical College, or at a school-related activity off school property.

MMC defines harassment, intimidation or bullying as any act, electronic communication, or a written, verbal, physical or sexual act reasonably perceived to, but not limited to, have the effect of the following:

- harming a student physically or emotionally, or damaging a student’s property, or placing a student in reasonable fear of personal harm or property damage; or
- insulting or demeaning a student or group of students causing substantial disruption or substantial interference with the orderly operation of school.

Students who feel they have been subjected to harassment, intimidation or bullying are encouraged to report the complaint to a teacher, counselor, or an administrator. School leaders will investigate complaints promptly and thoroughly. All employees must report alleged violations to the principal. Other members of the school community (students, parents, visitors, etc.) are encouraged to report any violations related to harassment, intimidation or bullying. MMC will protect the identity of the victim or reporter of bullying or harassment to the extent allowed by law. The school prohibits retaliation or reprisal in any form against any student or employee who files a complaint/report of harassment, intimidation or bullying.

A student who commits one or more acts of harassment, intimidation or bullying may receive consequences or appropriate remedial actions that range from positive behavioral interventions up to and including expulsion and/or referral to law enforcement. The MMC administrator and other school leaders determine the consequences according to the nature of the behavior, the developmental age

of the student and the student's history of problem behaviors and performance. Remedial measures will be designed to correct the problem behavior, prevent another occurrence of the problem, and protect the victim of the act.

Cell Phones/Electronic Communication Devices

As outlined in the SC General Appropriations Bill H4025, Proviso 1.103, MMC is a personal electronic device free school. "Personal electronic devices are considered to be any device not authorized for classroom use by a student, utilized to access the internet, wi-fi, or cellular telephone signals." This includes, but is not limited to, cell phones, smart watches, tablets, and gaming devices. Students are prohibited from accessing personal electronic devices and device accessories in the classroom or during instructional time unless preapproved for instructional use by the teacher/administration.

Students violating this policy will be subject to the following progressive consequences:

1st Offense - Warning

2nd Offense - Confiscation of device. Phone call to parents. Return at the end of the day.

3rd Offense - Confiscation of device. Parents must retrieve from the office.

4th Offense - OSS for refusal to obey.

Additional Offenses - Potential removal from MMC

*Offenses may warrant responses outside of the described progression based on the situation.

Emergency Response Procedures

MMC is located on the Airport Campus of Midlands Technical College (MTC) and is under the direct observation and vigilance of the MTC Police Department seven days a week and 24 hours a day. In the event of a school crisis, MMC employees, along with MTC, will follow the emergency response procedures outlined in the *iloveyouguys* protocol.

When a student's illness/injury appears serious, MMC employees will call 911 and will also make every effort to contact the student's parent/guardian. If first responders determine a student should be transported to the nearest hospital emergency room, the parent/guardian is responsible for the cost of the ambulance.

Extreme Weather

Students and parents/guardians can get information about school delays and closings from local television stations, the school's Facebook page, or by using the Remind system. Visit the "Resources" page on the MMC website to register for Remind alerts. MMC's decision to close school, delay opening, or dismiss early may be different than local school districts, so students and parents should look for an announcement specifically from MMC.

Medication

When possible, medications should be given by parents/legal guardians before or after school hours. MMC allows students to take prescription or non-prescription medication during school hours using the following procedures:

- The parent/guardian must submit a request to the school including the student's name, medication, time the student must take the medication, dosage, date the student stops taking the medication, and parent/guardian signature.
- Any prescription medication to be given at school or school related activities must be accompanied by written orders from a health care practitioner who is recognized by South Carolina's Department of Labor, Licensing and Regulation as authorized to prescribe medications. Limited over-the-counter medications may be administered at school with parental consent without a medical order.
- If the request is approved, the medication will be kept in a locked cabinet in the school office.
- Medications, whether non-prescription or prescription, must be provided in their original

labeled containers.

- Medications must be brought to the school by a responsible adult and delivered to the school employee designated by the principal. The responsible adult delivering medication to the school may be required to count and sign in medication with the designated employee.
- MMC and its employees reserve the right to refuse to honor medication requests that are not consistent with professional standards (e.g., manufacturer's guidelines, Physician's Desk Reference) and/or are deemed unsafe for the school setting. Requests from physicians, parents/legal guardians for administration of herbal/alternative medicinal products or medications prescribed "off-label" or for an investigational use will be evaluated on a case-by-case basis by school personnel.
- MMC does not employ a school nurse; therefore, the principal or her/his designee is responsible for assisting with and controlling access to routine medications. This will be discussed with each student and parent/guardian prior to approval for medications to be administered at school, and an individual plan will be developed if needed.
- No student shall carry medicine in school or on school related events except for students given permission to do so by the Individualized Healthcare Plan to guard against a life-threatening condition. Permission shall be granted only after careful review by the school administration in consultation with the student's parent/legal guardian, physician or legal prescriber. These rights will be revoked if there is sufficient evidence that unsupervised self-monitoring or self-medicating would seriously jeopardize the safety of the student or others.
- Medications that have expired or are not currently being used by a student will not be stored at the school. Medications will not be stored at the school during summer breaks. Parents/legal guardians will be notified and given an opportunity to pick up their child's medications. Medications that are not picked up will be disposed of in a manner that respects security as well as environmental concerns.
- MMC is not responsible for any adverse reactions for medications taken at school.

Sexual Harassment

MMC takes sexual harassment of students seriously and prohibits such conduct by employees and students. Students can report inappropriate behavior of a sexual nature without fear of adverse consequences. Any student who feels he/she has been subjected to sexual harassment, or any parent/guardian of a student who feels his/her child has been subjected to sexual harassment, is encouraged to file a complaint with a school counselor or the principal. MMC will promptly investigate any reports of sexual harassment reported.

Smoking/Tobacco

In accordance with Midlands Technical College policy, all tobacco products including all cigarettes, electronic cigarettes and cigars, all pipes and water pipes, all smokeless tobacco products or substitutes and any other device intended to simulate smoked tobacco are prohibited on MMC's campus and on any and all MTC property.

The Youth Access to Tobacco Prevention Act prohibits at all times the use of any tobacco product or alternative nicotine product by ANY person in school buildings, in school facilities, on school campuses, and in or on any other school property owned or operated by the school. It also prohibits the use of any tobacco product or alternative nicotine product by persons attending a school-sponsored event at any location when in the presence of students or school personnel or in an area where smoking or other tobacco use is otherwise prohibited by law. These restrictions apply to students, staff, contract or other workers, and visitors to MMC.

It is illegal to purchase or possess tobacco or nicotine products if an individual is under 21 years old. Individuals under 21 may face legal fines, be required to perform community service and/or lose their driving privileges. A student of any age who violates the tobacco policy will receive a discipline

referral. Students may be required to enroll in and pay for a tobacco education course offered by Lexington/Richland Alcohol and Drug Abuse Council (LRADAC). Tobacco and nicotine products prohibited by this policy and discovered on campus will be confiscated by administration and properly discarded. They will not be returned to the student.

Student Conduct

Students are expected to respect authority, conform to school rules, and obey all laws that apply to the conduct of juveniles or minors. Any illegal activity occurring during school hours, within the vicinity of the MTC campus, or while participating in any school activity will result in immediate referral to the appropriate law enforcement officials. These activities include but are not limited to: possession or use of tobacco or alcohol; activities related in any manner to the purchase, use of or distribution of drugs (including Delta-8 vapes); gang related activities; sexual behavior; possession of weapons or abuse.

Students are expected to respect the property of others. Theft, vandalism, inappropriate searches or any other form of mistreatment of property belonging to others, including the school, will result in consequences which may range from an informal conference to out-of-school suspension based on severity, prior history, and any other factors that the administrator chooses to take into consideration. Consequences may include restitution of stolen or damaged items or police involvement.

Students are expected to respect the rights, privileges and beliefs of others. Verbal abuse, intimidation, harassment, discrimination, disrespect of authority, fighting, extortion, and other related behaviors will result in consequences ranging from informal conferences to expulsion based on the severity, prior history, and any other factors that the administrator chooses to take into consideration.

Student Rights and Responsibilities

All students have certain civil rights guaranteed by state and federal law. Among them are:

- the right to attend free public schools without regard to race, color or national origin;
- the right to due process with respect to suspension, expulsion, unreasonable searches and seizures, or administrative decisions which the student believes injured his or her rights;
- the right to free inquiry and expression; and
- the right to privacy.

With those rights come **responsibilities** which include:

- the responsibility to attend school as required by law;
- the responsibility not to harm or discriminate against others;
- the responsibility to observe reasonable rules established by school administrators and teachers.

Student Searches

MMC students, visitors, and their belongings are subject to reasonable searches and seizures. Students and parents/guardians should understand that this policy does not preclude the calling of law enforcement personnel when the need is apparent. Administrators will conduct a search when they believe a crime has been committed or when they believe that a search will reveal contraband or evidence. Administrators do not conduct searches to embarrass, harass or intimidate students.

School officials may make random, unannounced searches of school property at any time. The principal authorizes and supervises any search of a student. Any search will be reasonable in scope and take into consideration the individual's age, the individual's sex and the nature of the alleged infraction. If a student refuses to comply, however, the student may be recommended for expulsion. The search will be made privately.

A school administrator, in the presence of at least one witness, will make the search. The

administrator or the witness must be of the same sex as the student. The search will not be a strip search. The student may be instructed to take off any item of clothing that can be removed without exposing his/her underwear or parts of the body ordinarily covered by underwear. This may include, but is not limited to, hats, jackets, sweaters, shoes and opaque footwear. If a student cannot turn his/her pockets inside out, the staff member conducting the search may pat the outside of the student's pockets to check their contents.

In all cases, every reasonable effort will be made to notify the parent/guardian as soon as possible that a search is being planned or has taken place.

SEARCHES BY TRAINED DOGS

The use of trained dogs to search for controlled substances in schools will be on a random, unannounced basis. Should the dog alert its handler to the presence of a controlled substance, school officials would then have a reasonable basis to conduct a search in accordance with the procedures previously outlined.

SEARCHES OF AUTOMOBILES

Individuals are permitted to park on school premises as a matter of privilege, not of right. Therefore, the school has the authority to conduct routine searches of the exterior of automobiles parked on school property, and school officials may observe items inside automobiles that are in plain view. The interior of automobiles (including trunks, glove compartments and personal belongings) may be searched when a school official believes the driver is violating school rules or state law. When a school official needs to gain access to the interior of an automobile parked on school premises, he/she will first ask the driver to provide such access. If the driver is a student and he/she refuses, the student may be subject to disciplinary action, including loss of all parking privileges.

Substance Abuse (Alcohol/Drugs)

MMC students may not knowingly possess, use, transfer, associate with, sell or be under the influence of any alcoholic beverage, stimulants, depressants, marijuana, psychedelics, hallucinogens, inhalants, drug paraphernalia (including rolling papers), synthetic drugs or look-alike drugs of any kind. This includes, but is not limited to, the possession of and/or use of Delta-8 vapes or other devices containing THC. This applies whether the student is in any school building, on school grounds, in vehicles on school grounds, or at any school-sponsored activity whether held on or off campus.

This policy does not prohibit student use of prescription medications at school as prescribed by the student's doctor. For more information, see the "Medication" section of this handbook.

Teachers and other school personnel will report suspected substance-abuse violations to an administrator who will immediately investigate. The principal may seek outside agency assistance, including the Lexington County Sheriff's Department's drug-sniffing dogs. The school will routinely use drug-sniffing dogs for random patrols of classrooms, hallways and parking lots during the school day.

In the event the use of drugs by a student on school property creates a medical emergency, the principal will summon emergency medical assistance and notify the parent/guardian immediately, then take appropriate disciplinary action as described.

In every case where a student does knowingly possess, use, transfer, associate with, sell or be under the influence of any alcoholic beverage, stimulants, depressants, marijuana, psychedelics, hallucinogens, inhalants, drug paraphernalia (including rolling papers), synthetic drugs or look-alike drugs of any kind, the principal will:

- advise the parent/guardian;
- suspend the student from school for up to four days;

- recommend expulsion; and
- file an incident report with the appropriate law enforcement agency and turn over all confiscated materials to that agency at the time the report is made.

In addition, the student may be referred to an intervention treatment program with the Lexington/Richland Alcohol and Drug Abuse Council (LRADAC) or an alternate intervention treatment program as approved by the principal. The student or parent/guardian is responsible for the cost of the program. Failure to complete an intervention program may result in expulsion.

Threats

(S.C. CODE 16-3-1040) It is unlawful for any person to knowingly and willfully deliver or convey to any teacher or principal any written or verbal or electronic threat to take the life of or to inflict bodily harm on a teacher, principal or their immediate families. Any person violating this law must, upon conviction, be punished by a term of imprisonment of no more than five years.

Visitors

Parents/guardians and other community members are welcomed to volunteer in or visit MMC classrooms. Volunteers will be subject to background checks prior to working directly with students. All visitors and volunteers must sign in through the front office and wear a name badge in plain sight at all times while on school grounds or at school-related events or activities. Visitors must check in and out with the main office and be escorted by an MMC staff member at all times. To maintain the highest commitment to the health and safety of our staff and students, anyone wishing to visit must make an appointment with our office to ensure we are maintaining safe numbers of individuals in our school.

Weapons

State laws (S.C. Codes 16-23-430 and 59-63-235) prohibit public school students from bringing any item capable of injuring another person or property onto school property or to any school-sponsored or school-related activities on or off school property. This includes any type of firearm, knife, other sharp object or any object that could be considered a weapon, including items that look like weapons (water guns, etc.). Students who possess, handle or transmit a knife, firearm or other object that can be considered a weapon will be recommended for expulsion. In addition, the principal will file an incident report with the appropriate law enforcement agency and turn over all confiscated materials to that law enforcement agency. The school will not provide educational services in an alternative setting to students expelled for firearms violations.

DISCIPLINE

While most student misbehavior is generally minor and can be corrected through one-on-one conferences with the student and/or a phone call to a parent, some student offenses are serious and require disciplinary consequences. The MMC Board will direct the MMC administration to maintain rules and regulations necessary to preserve conditions essential to the orderly operation of the school. The Board will authorize the principal to employ suspension and recommend expulsion, if necessary.

Lunch Detention

Students assigned lunch detention are expected to arrive at the designated location on time, bring a prepared lunch, place all belongings at the front of the room, and quietly remain seated throughout the detention. Failure to meet these expectations will result in an additional discipline referral.

Restorative Conferences

The purpose of restorative conferences is for students to reflect on the reasons for their behavior and how it impacts others within the school community. These meetings are restorative in nature, focusing

on making amends for negative choices. Restorative conferences will be conducted by a school counselor and administrator and may include all parties involved depending upon the infraction. Parents/guardians will be notified of the use of the restorative conference and the outcomes. Students may be assigned a community service project as restitution following the restorative conference. Failure to meet the requirements of this intervention may result in additional disciplinary consequences.

Suspension

It is the policy of MMC to provide due process of law to students through procedures for the suspension of students which are consistent with federal law, state law and regulation and local policy. Suspension is the exclusion of a student from school and school activities for a period of time not to exceed ten (10) school days for any one offense or thirty days in a school year. An administrator may suspend a student from school for commission of any crime, gross immorality, gross misbehavior, persistent disobedience or for violation of written rules and regulations. An administrator may also suspend a student when the presence of the student is detrimental to the best interest of the school. Review of suspension will be discretionary with an administrator. However, an administrator must review suspensions that occur within the last ten (10) days of the school year which would make a student ineligible to receive credit for the school year. The exception to Board approval is if the presence of the student constitutes an actual threat to a class or a school or a hearing is granted within twenty-four (24) hours of the suspension.

Prior to suspending a student from class or school, an administrator will give an oral statement of the charges and, if the student denies them, an explanation of the evidence. The student will have an opportunity to present his or her version of what happened.

When a student is suspended, an administrator will attempt to contact the parent/guardian to request that the parent/guardian pick the student up from school. Otherwise, the student will stay in school until the end of the school day. Occasionally, an administrator will ask a student to leave immediately, and that student may be removed from school grounds immediately.

An administrator will notify the parent/guardian in writing, giving the reason for such suspension and setting a time and place for a conference. If, after the conference, the parent/guardian believes the suspension was unjustified, they may appeal to the MMC Board.

An administrator will advise the parent/legal guardian of the right to appeal the administrator's decision to the Board. The parent/legal guardian must give to an administrator the notice of intent to appeal. An administrator, upon receipt of the notice, will promptly contact the Board and schedule a date for the appeal. The Board will promptly schedule a parental conference to review the appeal with the parent/legal guardian. The Board may vacate or revise an administrator's suspension action if the Board believes such action to be appropriate. The Board will inform the parent/legal guardian of the decision, either orally at the time of the conference or in writing after the conference and will provide an administrator of any written response. Should the MMC Board reject an administrative recommendation for suspension, or should a court of final disposition reverse the suspension, an administrator will excuse all student absences resulting from said action.

A suspended student may not enter the school or school grounds, attend any day or night school function, or attend MTC classes. Students who have been suspended will have the opportunity to make-up all work missed.

Expulsion

Students who are either a threat to the safety and welfare of other students or have exhibited behavior which is disruptive to the school may be recommended for expulsion from MMC. When a student is

expelled, the student cannot attend school (except for scheduled conferences), cannot come on any school grounds, cannot attend any program at school during the day or night, cannot attend MTC classes, and cannot attend any school-sponsored or school-related activity on or off school property.

If a student's behavior or actions warrant possible expulsion, an administrator suspends the student for at least four (4) days and recommends to the Board that the student be expelled. The school notifies the student's parent/guardian, in writing, of the alleged infraction(s) and provides a summary of the evidence against the student, the time and place of a hearing, and the rights of the parent/guardian and student.

If a student is being recommended for expulsion from MMC, that student will be required to leave the school immediately. A parent/guardian will be called to pick their student up from school. If the student drives, the parent/guardian will be called and notified that their student is being sent home at that time. Students will remain in the office while they wait for their parent/guardian to pick them up.

MMC does not provide an alternative placement for students upon expulsion.

Hearing Procedure for Expulsion

An administrator or his/her representative, student, parent/guardian and an individual who represents the student (such as an attorney) may attend the hearing. An administrator and the student (or representatives) may present witnesses or witnesses' statements, within the discretion of the Board. Students who do not attend the hearing, will forfeit their opportunity to speak on their own behalf. The hearing will continue as scheduled in the absence of the student and a decision will be rendered based upon the evidence available. If a student intends on bringing an attorney to the hearing, MMC must be notified of the same at least 48 hours prior to the hearing.

The hearing will take place within ten (10) days of the written notification at a time and place designated by the administrator in conjunction with the hearing officer. A decision will be rendered within ten (10) days of the hearing. Parents/guardians and students will be notified of this decision in writing.

Appeals for Expulsion

The student and/or guardian may appeal the action of the administrator and/or the decision of the hearing officer to a panel consisting of members of the MMC Board of Directors. This appeal must be made in writing. The student, parent or guardian choosing to appeal the expulsion decision, must notify the MMC principal of their intent to appeal. It is the Board's usual practice not to grant a personal appearance but may do so at its discretion.

Conduct Which May Result in a Recommendation for Expulsion (includes but not limited to)

- Causing or intending to cause disruption or obstruction of school by use of violence, force, noise, coercion, threat, intimidation, fear, passive resistance or any other similar conduct
- Damaging, destroying or stealing school or private property while on school grounds or during a school activity, function or event off school grounds
- Causing, attempting to cause or threatening to cause physical injury or behaving in such a way that could cause physical injury to any person
- Possessing, handling or using fireworks on school property or at any school-sponsored activity
- Repeated failing to obey school rules or to obey teachers, administrators, or other school personnel
- Coming on school grounds or attending extracurricular activities/school events while suspended
- Joining a group when he/she knows or should know that the group is engaged in or is preparing to engage in an activity prohibited by school rules or the law

- Distributing unauthorized, non-school-sponsored materials
- Using extortion, blackmail or coercion to obtain money or property from anyone and/or attempting to force anyone to do something against his/her will
- Using obscene/vulgar language/gestures and/or showing marked disrespect to any school employee
- Being suspended 10 or more times in a school year or five or more times during a semester
- Intentionally touching anyone in an offensive or sexually provocative manner and/or making offensive or sexually provocative comments or gestures
- Committing an act of harassment, intimidation, or bullying

Conduct Which Will Result in a Recommendation for Expulsion (includes but not limited to)

- Possessing, handling, or transmitting a knife, gun/firearm or any other object that can be considered a weapon (including a look-alike weapon). A student who brings a firearm to school will be recommended for expulsion for at least one calendar year (S.C. Code 59-63-236) and will be referred to law enforcement.
- Possessing, using, transferring, associating with, selling or being under the influence of alcohol, controlled drugs, drug paraphernalia, look-alike drugs, narcotics, stimulant drugs, etc.
- Participating in gang activity/secret societies

(The above lists are not intended as exhaustive lists of conduct which could result in a recommendation of expulsion)

Disciplinary Framework

Most behavioral concerns at MMC are minor infractions and can be resolved with a conference; however, there may be infractions which continue past that initial conference. MMC administration will follow the below framework as possible considering the level of safety concern and disruption to the school day.

- **Level One** – Administrative conference with student. Parent/guardian will be notified of referral and conference outcome.
- **Level Two** – Administrative conference with student and parent/guardian. This conference may take place via phone call, Google Meet, or in person.
- **Level Three** – lunch detention or other disciplinary consequences per the significance of the situation. Parent/guardian will be notified.
- **Level Four** – out of school suspension and/or possible recommendation for expulsion.

MMC reserves the right to skip any and all steps in the above disciplinary framework depending upon the level of behavioral infraction. Parents/guardians are an important member of our team and will be a part of the conversation as disciplinary decisions are made.

Code of Conduct

MMC expects students to conduct themselves in a manner such that they do not violate the rights and privileges of others. MMC also expects students to conduct themselves in a manner becoming of learning on a college campus. We are guests on the Airport campus of Midlands Technical College and should act accordingly at all times.

MMC faculty and staff value and emphasize high standards of personal courtesy, decency, morality, honesty, clean language, respect for real and personal property, wholesome relationships with others, pride in one's work, and personal achievement.

Students have made the choice to attend MMC therein choosing to follow MMC's rules, policies and procedures. Students who show a sincere desire to honor this choice, remain in school, and diligently

pursue the educational opportunities provided by MMC will be given every opportunity to do so. Students who choose not to follow the policies set forth, may forfeit the opportunity to remain enrolled at MMC.

Discipline of Students with Disabilities

Whenever a student who is classified as disabled commits an offense that should result in suspension or expulsion, the principal or his/her designee will confer with the SCPCSD Director of Special Services before initiating any disciplinary procedures. If there is expulsion with change of placement, Free Appropriate Public Education (FAPE) will be provided.

MMC policies on suspension and expulsion of students with disabilities will adhere to the specific procedures for the disciplinary actions that involve students with disabilities as outlined in the Individuals with Disabilities in Education Act ("IDEA"), Section 504 of the Americans with Disabilities Act ("ADA"), and applicable amendments. A school official can remove a child with a disability, including suspending or expelling for behavior that is not a manifestation of the child's disability, to the same extent as is done for students without disabilities, for the same behavior. If a student served under IDEA is recommended for expulsion, a manifestation determination meeting will be held prior to moving forward with a hearing. This meeting must take place within the 10 day window specified in the previous section for scheduling of the disciplinary hearing. The manifestation determination meeting will be attended by all required IEP team members. A representative from the SCPCSD may also attend. A school official can report crimes to appropriate law enforcement and judicial authorities. A school official may request a court for a temporary restraining order in order to protect children or adults from harmful behaviors.

A school official can remove a student with a disability for up to ten (10) days, cumulatively, for the year, for violation(s) of the school code of conduct, to the same extent applied to children without disabilities. However, a student with a disability who is removed for more than ten (10) days cumulative for the year would be provided with continual services in a home based setting. Students and parents/guardians who disagree with the home based setting, have the right to remove their student from MMC.

A school official can also order a change of placement for a student with a disability to an appropriate alternative setting for up to forty-five (45) days for possession of weapons or drugs or the solicitation or sale of controlled substances while at school and school functions.

If a school official believes that a student is a danger to himself or others, he/she can ask a hearing officer in an expedited process hearing to remove a student to an interim educational setting for up to forty-five (45) days. Forty-five-(45) day interim alternative educational placements can be extended in additional forty-five-day increments if the hearing officer agrees that the student continues to be substantially likely to injure himself or others if returned to his prior educational placement.

For further information regarding students with 504 plans or IEP's, refer to the MMC/SCPCSD policies and procedures. These can be obtained on the MMC website, from the Special Populations Coordinator, or the school principal.

Student/Parent Concerns, Complaints, and Grievances

MMC recognizes the value of student and parental participation in decision-making for the school. Parents will participate in the nomination and election process for the Board and may choose to campaign for a seat on the Board. MMC intends that school personnel and the MMC Board will encourage parents and students to attend Board meetings and take part in the public participation periods. Procedures for public participation can be found on the school website under the Board of Directors tab. Parents and students should share with the Board, school administrator, and the faculty

the responsibility for developing a climate in the school that is conducive to safe and wholesome learning and living. Both parents and students will be encouraged to offer recommendations regarding student privileges and activities to the Principal and the Board.

MMC school personnel and the MMC Board also recognize the value of a grievance procedure as a formal method for the resolution of any grievances concerning the treatment of students by school personnel. These grievances may arise from allegations of violations of student legal rights or school policy. In addition, MMC school personnel and the Board recognize that the school could improve and that parents and students should have some means by which they can effectively express their concerns.

The school will resolve complaints and grievances through orderly processes and at the lowest possible level.

- A teacher will provide any student or his/her parent/guardian the opportunity to discuss a decision or situation that the student considers unjust or unfair.
- If the incident remains unresolved, the student, his/her parent/guardian or the teacher may bring the matter to an administrator's attention for consideration and action.
- The student may also bring the matter to the attention of student leaders for possible presentation to an administrator.
- If the matter is still unresolved, the complaining party may bring it in writing for the Board to review.

Title IX Complaints

Students who believe that they have been discriminated against on the basis of their sex should immediately notify the school according to the below chain of command for Title IX complaints.. The Title IX Coordinator will work with the student to discuss the availability of supportive measures and explain to the complainant the process for filing a formal complaint. If the student is not satisfied with the decision at the school level, he/she may appeal to the Board and/or to the district.

For the 2025-2026 school year, Title IX complaints will follow the below chain of command:

- Coordinator – Dr. William Robinson
- Investigator – Ms. Amy Graham
- Decision Maker – Dr. William Robinson
- Appeals Officer – MMC Board of Directors

Section 504 Complaints

Students who believe that they have been discriminated against on the basis of their disabling condition have the right to appeal to the principal. If the student is not satisfied with the decision, he/she may appeal to the Board. The principal will schedule appeals to the Board.

Erin's Law & Gavin's Law Policy

Midlands Middle College is committed to the health and safety of all students, faculty, and staff. Priority is given to the safety of our school in accordance with SC state laws. MMC is committed to maintaining a learning environment free from intimidating or harassing behavior of any kind, including sexual extortion. MMC prohibits any student, staff, or third parties from engaging in any behavior that would satisfy the definition of sexual extortion or aggravated sexual extortion as described in state law (S.C. Code Section 16-15-430). MMC will not tolerate retaliation against a person who has made a report or filed a complaint alleging sexual extortion or who has participated as a witness in an investigation.

In line with this commitment, the following policy has been developed and implemented as required by Erin's Law, S.C. Code Section 59-32-20 and 59-32-30(G) and Gavin's Law, S.C. Code Section 16-15-430.

Collaboration with Relevant Authorities:

Per the requirements of Gavin's Law, MMC will collaborate with the following entities: State Department of Education, South Carolina Law Enforcement Division, Local Law Enforcement Agencies, the South Carolina Public Charter School District, and the Attorney General's office as needed to facilitate the proper execution of this law within our school.

MMC will also work with community organizations, and mental health professionals to ensure a coordinated response to incidents of child abuse, bullying, harassment, and extortion. Together, we will work towards preventing such incidents and supporting affected students.

Prevention Education:

MMC will incorporate age-appropriate prevention education programs into our curriculum (Erin's Law Curriculum) that address child sexual abuse, assault, exploitation, and extortion. These programs will be tailored to different grade levels to ensure students receive the information in an age-sensitive manner.

MMC will regularly conduct awareness campaigns to educate students, parents, and staff about the signs, risks, and prevention of child sexual abuse, bullying, and extortion. These campaigns will aim to foster a culture of openness, trust, and mutual support within our school community.

Public Notification:

To inform the public about Gavin's Law and MMC's response, this policy will be posted on the official school website. This will provide full visibility and accessibility to parents, guardians, students, school personnel and the general public as required by state law.

Reporting:

MMC will establish multiple safe and confidential reporting channels, such as trusted staff members, anonymous hotlines, or online platforms, to encourage students to report any incidents of abuse, bullying, harassment, or extortion without fear of reprisal. Any student who feels he/she has been subjected to sexual extortion is encouraged to file a complaint through one of these channels. All staff members are required to report alleged violations of this policy to the principal. Reports by students or staff may be made anonymously.

Upon receiving any reports, MMC will ensure a prompt and thorough investigation, adhering to all legal requirements and protecting the privacy of all parties involved to the extent legally possible.

MMC prohibits retaliation or reprisal in any form against a student or staff member who has filed a complaint or report of sexual extortion, bullying, or harassment. MMC also prohibits any person from falsely accusing another as a means of intimidation, bullying, or harassment.

Staff Training and Support:

All school staff, including teachers, administrators, and support personnel, will receive annual training on recognizing and responding to signs of child sexual abuse, bullying, harassment, and extortion. This training will equip them with the necessary skills and knowledge to support students effectively.

MMC will foster a supportive environment where students feel comfortable reaching out to trusted adults. Staff members will be trained to listen, believe, and respond empathetically to students who disclose abuse, bullying, harassment, and/or extortion.

School Discipline Action:

Students, staff, parents/legal guardians, contract and other workers, volunteers, visitors, and other members of the public are required to comply with this policy. MMC will enforce this policy through appropriate disciplinary action as outlined in the student handbook and/or required by law enforcement officials.

By implementing this policy, we aim to ensure the safety, well-being, and success of all our students. Together, we can create a nurturing environment where every student feels protected, valued, and empowered to thrive.
