Dear Dr. Lee,

This letter serves as formal notification that on March 9, 2023, at the South Carolina Public Charter School District (PCSD) Board meeting, District staff presented a report recommending the renewal of Midlands Middle College's charter and contract. The PCSD Board of Trustees voted unanimously to renew the School's ten-year charter. The new charter term begins July 1, 2023, and extends to June 30, 2033.

District board and staff fully support Midlands Middle College's commitment to providing quality education to the students of South Carolina and looks forward to another ten-year partnership.

Please file this documentation with the School's charter.

Sincerely,

Kristin Farmer, Director of Authorization and Development
South Carolina Public Charter School District
